

Is it difficult for you to walk, climb stairs or get up from a chair? Are you 65 years or older or know someone who is?

We are looking for people ages 65 and older to help us evaluate if an investigational drug improves muscle function, which can reduce risk of falls and fractures.

**To be considered for the study, you:**

- Must be 65 years or older
- Willing to attend five in person visits over a six month period and follow procedures
- No recent surgeries

**If you qualify, you will receive:**

- \$100 compensation for initial visit, additional compensation if eligible for further visits
- Breakfast or Lunch
- Travel costs

**IF YOU ARE INTERESTED, PLEASE CALL**

**212 305-0778 or 646 957-6599**
