

Need a helping hand? Neighbor-to-Neighbor is here for you.

What Is Neighbor-to-Neighbor (N2N)?

N2N is a program of Bloomington Aging in Place (BAIP), an all-volunteer senior-support organization.

EXAMPLES OF WHAT N2N DOES ARE:

- Escorts a neighbor to and from a medical appointment.
- Makes a friendly telephone call or visit.
- Provides companionship on a walk or over a cup of coffee.
- Helps with shopping or other errands in the neighborhood.

These are situations where a trusted neighbor might help.

N2N volunteers are carefully vetted and trained.
